WHO WE ARE

**Project Green manages over 30 green open spaces
around Malta & Gozo.**

Project Green is all about **creating and maintaining sustainable green spaces for everyone to enjoy**. Whether it's bringing new life to parks, green corridors, or valleys across Malta's towns and suburbs, the agency's projects boost community well-being, enhance biodiversity and provide sustainable areas for relaxation, recreation and connection with nature.

Together with its professional team, Project Green welcomes you to be part of this journey, **helping to nurture and protect** these green spaces so they continue to thrive for generations to come.

ENRICHING PARKS THROUGH CULTURAL, EDUCATIONAL, SPORTS AND COMMUNITY EVENTS

As we step into Autumn, it is my pleasure to introduce Project Green's Events Calendar for the last quarter of the year. Featuring a range of educational, cultural, sporting, and community-focused events, this calendar reflects our deep commitment to making the most of Malta's beautiful green and open spaces.

Our parks will come alive with programmes designed for people of all ages, inviting families, friends, and neighbours to enjoy cultural performances, hands-on learning sessions, sports activities, and vibrant community celebrations. Many of these events are organised by Project Green, while others are hosted by trusted third parties, which we proudly support to help bring our green spaces to life.

By working closely with cultural organisations, educators, sports clubs, and community groups, we create enriching experiences that inspire creativity, promote wellbeing, and strengthen the sense of community that unites us all. Our ongoing focus on accessibility and inclusivity ensures everyone feels welcome to participate and enjoy these shared spaces.

I warmly invite you to join us this season, discover new experiences, celebrate our culture, embrace an active lifestyle, and enjoy the simple pleasure of gathering outdoors as one community in Malta's green open spaces.
