- 1.1 Response to this RfQ is to be submitted by email on the following email address:  
[Procurement.pg@projectgreen.mt](mailto:Procurement.pg@projectgreen.mt)
- 1.2 All submissions will be dealt with in strictest confidence.
- 1.3 Participation Fee is Free.

**Note: The Contracting Authority shall reserve the right to accept or reject offers exceeding €5,000 exclusive of VAT.**

### **Section 2: General Information**

#### **2.1 Purpose**

The purpose of this RfQ is **the supply and delivery of Liquid Chlorine and PH Regulation Acid for Water Park.**

#### **2.2 Scope and Terms & Conditions**

This purchase covers the supply and delivery of essential water treatment chemicals—liquid chlorine (15% solution) and pH-regulating acid—for continuous use in water park facilities during the peak summer season.

The objective is to ensure safe, clean, and well-balanced water quality throughout peak operations by enabling effective disinfection, reliable microbial control, and stable pH levels in line with health and safety standards.

In addition, the scope includes full technical support documentation (SDS, technical data sheets, and certificates of conformity) and assurance of compatibility with existing dosing systems. All products will be consistently high-quality, fit for purpose, and delivered on time to support uninterrupted operations and a safe, enjoyable visitor experience throughout the season.

Further contact details will be provided following the award of the contract.

The Contractor shall be subject to a penalty for delay of €50 per day inclusive of Saturdays, Sundays and Public Holidays for any delays over the period of performance stated above. The Contracting Authority reserves the right to terminate the contract without notice when the penalties reach a value amounting to 30% of the contract price.

#### **2.3 Specifications**

##### **2.3.1 Technical Specifications:**

- Liquid chlorine 15% should be in containers of not less than 23kg but not more than 26kg

- PH regulating acid should be in containers of not less than 22kg but not more than 25kg

Terms and Conditions:

- Liquid chlorine and PH regulating acid should be provided within 2 days of request.
- The delivery has to be done at Ta' Qali Parks or water park Bugibba.
- These chemicals are to be available as from the 15th of June 2026 and the manufacture date must be less than 3 months. **Items will be taken in batches.**

Item/Description	Quantity

PH regulating acid	10

## 2.4 Execution Period

- 2.4.1 The time-limit for the execution of the contract shall be **eight (8) months** from the date of the Purchase Order.

## **Section 3 Financial Offer**

### 3.1 Financial Offer

The Economic Operator shall fill-in and submit their offer by filling the Form marked as '[Financial Bid Form](#)'. The Contracting Authority reserves the right to disqualify bidders who fail to submit or provide all the requested information requested in the '[Financial Bid Form](#)'.

Economic Operators must quote all components of the price inclusive of taxes/charges, customs and import duties and any discounts BUT excluding VAT. VAT shall be paid in accordance with the current VAT regulations.

### 3.2 Criteria for Award

- 3.2.1 The sole award criterion will be the price. The contract will be awarded to the bidder submitting the cheapest priced offer satisfying the requested administrative and technical criteria.

The Contracting Authority reserves the right to accept or reject financial offers exceeding the estimated procurement value based on the current market rates.

The Contracting Authority reserves the right to disqualify offers received late even though they might be technically and financially compliant (please refer to the cover page of this RfQ for the respective deadlines).

Furthermore, the Contracting Authority reserves the right to refuse or cancel this RfQ, in part or in full, at its discretion without any obligation.

**3.3 Clarification meeting / Site-visit**

3.3.1 A clarification meeting/site visit is not required
