

Expression of Interest - EOI

For

PARK ACTIVATION SERVICES FOR PROJECT GREEN

Issued by:

Project Green

Issue Date: 24th June 24, 2026

Response/Submission Date and Time: 8th July, 2026

Section A:

Responses to this EOI are to be submitted via email as per the instructions given in Article 13 of Section B of this document.

All submissions will be dealt with the strictest confidence.

Section B:

1) Purpose

The purpose of this Expression of Interest is to identify a qualified individual, organisation or company capable of delivering park activation services and related online marketing services across Project Green's portfolio of parks and open spaces in Malta and Gozo. Through this EOI, Project Green aims to establish a service provider capable of designing, organising, promoting, and implementing activities that encourage community participation, increase footfall, foster environmental awareness, and enhance the overall visitor experience within Project Green's parks and open spaces.

2) Issuing Office

The issuing office, being Project Green, is the point of contact for this EOI. Please refer any inquiries or requests for clarifications to:

Address:	Project Green Head Office Avenue 77, Triq in-Negożju Mriehel, Birkirkara Malta
Email:	procurement.pg@projectgreen.mt

Any addenda/updates to the EOI will be made available at the Contracting Authority's website: <https://projectgreen.mt/about-us/procurement/>

Refer to Annex 1 – List of Parks and Valleys / Open Spaces.

3) Background

Project Green is a national agency entrusted with the development, regeneration, management, and activation of public open spaces and green infrastructure throughout Malta and Gozo. As part of its commitment to creating vibrant, inclusive, and well-utilised public spaces, Project Green seeks to identify a qualified individual or organisation capable of delivering park activation services across its portfolio of parks and open spaces.

4) Objectives

The objectives of this EOI are to:

- Increase public engagement and visitation across Project Green parks and open spaces.
- Promote the use of parks as community, educational, cultural, recreational, and environmental assets.
- Encourage healthy lifestyles and outdoor activities.
- Strengthen community ownership and stewardship of public spaces.
- Deliver innovative and inclusive programmes catering to diverse demographic groups.
- Generate opportunities for partnerships, sponsorships, and stakeholder engagement.
- Support Project Green's environmental and sustainability objectives.

5) Scope of Services

The selected service provider may be required to undertake some or all of the following activities:

5.1 Programming and Event Development

- Develop annual and seasonal activation programmes.
- Design and implement community-based activities.
- Organise educational, cultural, environmental, sports, wellness, and recreational events.
- Develop family-oriented initiatives.
- Coordinate thematic events linked to national and international awareness days.

5.2 Community Engagement

- Engage with local councils, NGOs, schools, community organisations, and other stakeholders.
- Facilitate volunteer participation programmes.
- Develop outreach initiatives targeting specific demographic groups.
- Promote inclusivity and accessibility within all proposed activities.

5.3 Marketing and Promotion

- Prepare communication and promotional online marketing plans.
- Develop content for social media and digital channels.
- Coordinate online publicity campaigns in collaboration with Project Green.
- Promote events and activities to maximise attendance.

5.4 Event Delivery and Management

- Manage all logistical aspects of activities and events.
- Coordinate suppliers, contractors, performers, and facilitators.
- Ensure compliance with all applicable permits, health and safety requirements, and regulations.
- Provide on-site event management and supervision.

5.5 Monitoring and Reporting

- Measure participation levels and event outcomes.
- Collect attendee feedback and performance data.
- Submit periodic reports detailing activities undertaken, attendance figures, stakeholder engagement, sponsorship secured, and recommendations for improvement.

6) Deliverables

Interested parties may be required to provide:

- A proposed activation strategy.
- Annual and/or seasonal programming plans.
- Event concepts and implementation methodologies.
- Community engagement plans.
- Online marketing and communications approaches.
- Periodic performance reports and impact assessments.

7) Eligibility Requirements

Interested parties should demonstrate:

- Experience in event management, community engagement, cultural programming, sports programming, environmental education, marketing, sponsorship acquisition, or related fields.
- Experience managing public events and activities.
- Adequate organisational and operational capacity.
- Compliance with all applicable legal and regulatory requirements.

8) Information Requested from Economic Operators

Interested parties shall submit a response containing:

- Company or organisation profile.
- Details of relevant experience.
- Curriculum vitae of key personnel.
- Portfolio of similar projects undertaken.
- Proposed methodology and approach.
- Indicative fee structure or pricing model, including the proposed monthly retainer.
- Any additional information deemed relevant.

9) Evaluation Criteria

Submissions may be assessed on the basis of:

- Relevant experience and track record.
- Quality and innovation of the proposed approach.
- Demonstrated capacity and resources.
- Value for money.

- Alignment with Project Green's objectives.

10) Duration

The engagement period shall be for two (2) years and may be renewed subject to satisfactory performance, budget availability, and organisational requirements.

11) Reservation of Rights

Project Green reserves the right to accept or reject any submission, request additional information, conduct interviews or presentations, establish a shortlist, or terminate the EOI process without incurring any liability towards applicants.

12) Confidentiality and Ownership of Expression of Interest

All information provided by Project Green during the EOI process shall be treated as confidential and may not be disclosed to third parties without prior written consent.

All responses will be treated as confidential and become the property of Project Green.

13) Disclosure of Proposal Contents

Cost and price information provided in information proposals will be held in confidence and will not be revealed or discussed with competitors, except to the extent required by law.

All other material submitted becomes the property of the Contracting Authority and may be returned only at the Contracting Authority's option. Information proposals submitted to the Contracting Authority may be reviewed and evaluated by any person other than competing Economic Operators at the discretion of the Contracting Authority.

Where confidential or proprietary information is required, or should the Economic Operator deem it necessary to submit such matter, mark each page/section in large bold type (PROPRIETARY INFORMATION).

If any response to the Expression of Interest contains a trade secret or confidential commercial/proprietary information, one should include with the response a separate signed written statement to that effect.

14) Submission Instructions

Interested persons who are eligible to apply are to indicate their interest by submitting their proposal to procurement.pg@projectgreen.mt.

- Interest submitted by other means will not be considered.
- This EOI does not constitute an offer to enter into any contract with Project Green.
- Project Green will not be responsible for costs incurred by prospective applicants.

Any submission deadline, if applicable, shall be indicated on the EOI issue notice or any subsequent clarification/addendum issued by Project Green.

Section C

Details of information requested

1) General Economic Operator Information

Refer to Clause 8 in Section B above.

2) Specific Project Overview

Refer to Clauses 3 to 6 in Section B above.

3) Response Format

Responses are to be straightforward, clear, concise and specific to the information requested. In order for submissions to be considered complete, Economic Operators must provide all the requested information mentioned in this document as well as any other comments, observations or suggestions which potentially may assist the Contracting Authority in the Expression of Interest stage.
